Finding the location and jurisdiction

Ventura County Film Commission 11-03-2022

Growing Permitting Coordination in Ventura County

Location filming and production as a growth industry

- Identify the location or locations of the production
 - With those specific locations, identify the permitting layers for the production
 - If there is coordination needed, call the commission for help.
-
- bill@edcollaborative.com or 805-409-9947

Getting to the Website

venturacountyfilm.com

Film Commission [Website](#) Resources

- Navigate to [County Map For Permitting](#)
- In the lower left corner, click on the [layers tab](#)
- [Click the box for Cities and the plus for parcels then, click the box for Parcel Labels](#)
- The [base Map](#) can be adjusted by clicking on the label on the map itself. Using the most recent [Aerial](#)
- Then, a [search by address or APN](#) will yield information about permitting jurisdiction

Where are you wanting to film?

What are you trying to do?

- The Location and Footprint will frame the permit need.
- What is the Permit Layer for your Jurisdiction?
- Who is the coordinator of that Permit Layer?
- Is the information correct on the Film Commission Web Site?
- For Permits: <https://www.venturacountyfilm.com/permit/>
- Call 805-409-9947 with any updates!
- Email bill@edcollaborative.com with the same!
